Project #:

MENUMASTER Commercial

Model MXP5221T shown

15 times faster than conventional ovens.

Heavy Volume | Combination Cooking This category of combination oven is ideal for...

Application:

- Theatres
- Pizzerias
- Convenience stores Hotel room service
- Satellite locations
- Campus dining
- Healthcare
- Snack bars
- Stadiums

Through put potential:

- 12" frozen pizza, 20 per hour
- 6" toasted sub sandwiches, 80+ per hour
- Grilled fresh salmon, 20 per hour
- Crème brulé, 10 per hour
- 1 lb. portions fresh shrimp, 30 portions per hour

Location of oven(s):

- Kitchen shelf
- Kitchen countertop, single or stacked
- Equipment stand, single or stacked

- Defrosts most frozen food products in microwave mode

Patents Pending

High Speed Combination Oven

Menumaster® Commercial MXP5221T & MXP5223T

Power Output

- Forced convection:
 - 2000 W
 - 95° 270° C (200° 520° F) temperature range
 - Forced convected air for enhanced toasting and browning
- Microwave:
 - 2200 W
 - Heats quickly, reduces cooking time
- Infra-red radiant:
 - 3000 W
 - Enhances toasting and browning

Cuts Costs

- No need for costly ventilation hood catalytic convertor filters grease and odors from the air. Integrated recirculating catalytic converter for ventless operation.
- Uses less energy than a conventional oven.
- Eliminates need for pre-cooking and holding.
- Uses standard metal trays, pans and screens.

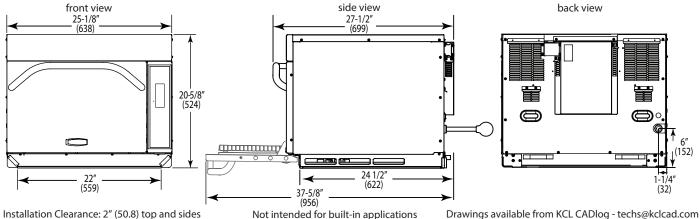

Simplifies Cooking

- Touch screen operation for consistent results.
- Transfer programming information via USB port, wi-fi or ethernet
- Controls are intuitive and simple to use.
- Stores up to 360 menu items.
- Four stage cooking option.
- 39 liter (1.38 cubic ft.) oven capacity.
- Door drops down below oven rack providing full access to oven interior.

Easy to Use and Maintain

- Porcelain IR element cover enhances operator safety and simplifies maintenance
- Stainless steel exterior and interior.
- Infra-red elements tilt-up for cleaning.
- Two removable air filters protect oven components.
- ETL Listed.

Specifications

Oven shall combine three cooking modes: forced convection, microwave and infra-red radiant for high speed cooking. Icon operated control panel shall be programmable with the ability to program a maximum of 360 menu items and shall have multi-level menu capability. Programs shall be automatically updated using either Wi-Fi, ethernet or USB port. Display shall be a swipe touch screen, color LCD. There shall be 11 power levels, 4 cooking stages and defrost mode. Microwave output shall be 2200 watts and distributed from two magnetrons located on each side of the cavity. An automatic voltage sensor shall accommodate either 208 or 240 volts with no manual adjustment. Oven shall provide a temperature range from 95° - 270° C (200° - 520° F) in 5° increments. The convection fan shall distribute the heat throughout the cavity to further reduce cook times. Fan speed to be programmed from 0 to 100% for menu flexibility. The infra-red radiant shall have 3000 watt output and deliver heat from the bottom of the oven. This element shall be concealed with porcelain cover and hinged for easy cleaning of the oven floor. The oven cavity shall have a 39 liter (1.38 cubic ft.) capacity and use standard metal cookware. Maximum microwave cooking time shall be 60 minutes. Oven shall have a stainless steel exterior and be stackable. Oven cavity shall be stainless steel construction with stainless oven door. Drop down door shall open below oven rack for full access to the cavity. The two side air filters shall be removable for easy cleaning and have a "clean filter" reminder feature. A removable, one position rack shall be included. Microwave oven shall comply with standards set by the U.S Department of Health and Human Services, ETL listed for safety and sanitation.

Optional Accessories

- Panini Press
- Pizza stone 14 3/8" (365mm) dia.
- Leg kit set of four 4" (102mm) legs
- Non-stick baskets set of two
 - 10" x 12" x 1" (254 x 305 x 25mm) size
 - 6" x 12" x 3/4" (152 x 305 x 19mm) size
- Stainless carts/equipment stands 24" (610) and 30" (762)
- Oven paddle

Warranty
